

SOUTHLINE PICTURE DAY 2026

Saturday, June 6, 2026

New for 2026 — refreshed product lineup, updated gallery experience, and a streamlined ordering process.

WHERE

Southline Diamonds — at the garage near the snack shack. Look for signage on arrival.

SCHEDULING — PLEASE READ

Each team has a scheduled time slot, which the coach will share. Arriving within your window is essential to keeping the day on track. Please be on site 10 minutes early.

Drop-ins outside the schedule are accommodated as needed (travel-player conflicts, scheduling overlaps), but only as exceptions — not as a default. If the schedule isn't honored broadly, the day cannot run on time.

WHAT TO BRING

- Full uniform, clean and game-ready
- Any equipment your athlete typically wears or holds (helmet, glove, bat, etc.)

WHAT TO EXPECT

- Each athlete will be photographed individually — two poses.
- The photographer will pose each athlete with hands-on guidance.
- Team images this year are produced digitally from the individual photos — a more polished look than the traditional lineup shot. Any athlete who gets photographed on picture day will appear in their team image.
- Each athlete's session should take roughly a minute.
- A QR card will be used to link each athlete to their photos. Cards will be distributed on site with coach assistance — no action needed beforehand.

PARENTS OF YOUNGER ATHLETES

Parent help is welcomed for younger athletes. Some kids warm up slowly to a new face and a camera, and a familiar voice nearby can make the difference between a great photo and a stalled session. Feel free to step in to help with posing cues, eye contact, or just standing close enough to keep them comfortable.

COACHES

Coaches who want to appear in team composites need to be photographed as well. Please plan to come through during your team's scheduled window.

ORDERING PHOTOS

Photos will be available to view and order online no greater than two weeks after picture day. Proof notifications will be sent to the primary parent email the league has provided to Buffalo Photography.

No payment is collected on picture day. All ordering is done online after proofs are ready.

The 2026 lineup includes refreshed product options and a modernized online gallery.
